January 2017

IMPORTANT REMINDERS

COUNCIL MEETINGS: The next Council meeting will be held on Tuesday, January 19th, at 7:00 p.m. Please feel free to contact council members directly or by dropping mail into the office should you wish to address a matter. Remember we need to hear from you 5 days prior to the meeting to schedule a delegation. We hope to see you there!

COUNCILLORS' CORNER: Council would like to thank everyone that helped make this year's Christmas party a huge success. A special thank you to Lisa Teichroeb and her volunteers for putting on that amazing dinner!!

5 Councillors Open House: Council is having a come and go evening that would involve information sharing on the possibility of going from 3 councilors to 5 councilors. There will be information on the steps involved to transition but are also looking at general feedback and thoughts from the residents of the Village. Please feel free to join us on the evening of Jan 10th at the Village hall from 6-8 pm

LICENSING:

Dog Licenses— are due **before January 31st**. Any dog over 6 months of age must be licensed in Longview. The cost of a license increases if purchased after **January 31**. There are a number of unlicensed dogs in the village, this year we will be doing a compliance check and fines will be issued. Please remember there is a leash law in Longview.

Business Licenses are also due in January for the 2017 year.

SNOW REMOVAL: The Village does its best to clear the sidewalks but it is done only as a **COURTESY**. Property owners are ultimately responsible for removal of snow from sidewalks within 24 hours after snow has stopped falling. If snow is continuous, an effort must be made to remove the snow as soon as possible.

Longview & Area Seniors' Club:

Our Board would firstly like to wish our members best wishes for 2017.

As we look back on our first year of operations, we reflect on a successful time. Our members enjoyed an evening of entertainment at Stage West, then our supper in Okotoks followed by a bus trip to enjoy the christmas lights in Calgary.

The Board secured grant funding for upgrades to the community hall together with monies to enhance the Longview Meals-On-Wheels program.

December saw a bake sale and pie making project raise money for our club.

Our Monday and Wednesday socials will commence again on Monday January 9th at 6:30 p.m. in the community hall.

In closing we would like to express our appreciation to all our members who make our club the success it has become.

The Little New York Daze Committee is looking for volunteers. This is a huge event, spanning three days, and lots of help is needed to make it work. If you are interested in joining the committee or getting more information please contact Lindsey Beal or Aaron Lyons.

ARC Society: Is proud to continue offering the free fitness opportunity thanks to the generous support of the Alberta Government through the Longview FCSS funding and the Longview Recreation Board.

GO ME!! Senior Warriors continue to meet for fitness and fun on Tuesdays and Thursdays at 10 am at the hall. Bring your sneakers and smiles as we work on our balance, core strength, general flexibility and range of motion through a series of guided chair or stability ball exercises. We will be adding a new evening class on Wednesdays from 6 to 7 pm starting January 18th! It will be varied from week to week as we explore a variety of fun movement based disciplines like straight workouts class, BOSU class, Flexi Bar, Hula Hoop, Zumba, and even a walkability workout!! Should be fun!
