VILLAGE OF LONGVIEW
REQUEST FOR COUNCIL DECISION

Agenda Item #: 3.1

Date: February 28, 2026
Title: Public Works Big Truck repair
Submitted by: Roy Tutschek, Village CAO

Recommendation: **MOVED** by _____ that the Village big truck is approved for repair at a trusted mechanic shop as soon as possible. Costs expected to be in excess of \$10k.

Alternatives:

2. Defeat above motion.
3. That discussion be tabled _____ *(for further information or future date)*.

Background: The Public Works Truck is need of repair. A Diesel mechanic has inspected and we have determined the most cost-effective path forward is to fix the truck - not replace. The bucket is a significant cost factor. By fixing the truck we also can ideally have some salvage value monies in when replace. The repair will take some weeks and the big bucket is important in the event of a big snow event. It is therefore deemed prudent to do the repair sooner than later. The cost is expected to be in excess of \$10k.
