RE: **Longview June Municipal Enforcement Monthly Report**

Dear Mayor and Council,

June was a wet month, with frequent rain throughout much of the month. Even with the weather, there was a noticeable increase in vehicle traffic through Longview as school ended for the summer and Highway 541 opened into Kananaskis. Traffic was especially heavier on weekends and during peak travel times.

Throughout the month, Municipal Enforcement issued 43 Provincial Offence Tickets, with a total face value of \$17,721.

Traffic safety continued to be a focus in June. Officers monitored speeds, driver behaviour, and traffic flow in the community, particularly with the increase in seasonal and recreational traffic.

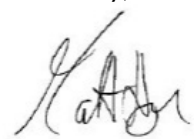

Municipal Enforcement also responded to several bylaw related complaints and inquiries during the month. These included general bylaw concerns, follow-up with residents, public education, and voluntary compliance where appropriate.

Several bear related complaints were also received in June. Residents are reminded to secure or remove wildlife attractants such as garbage, pet food, bird feeders, barbeques, compost, and other items that may attract wildlife into town. Wildlife concerns can be reported to the Alberta Report A Poacher line at 1-800-642-3800.

Time was also spent managing tickets moving through the court process and completing related enforcement administration.

Residents are reminded that enforcement concerns can be reported through the 24/7 Complaint Line at 403-933-0334.

Sincerely,

Sgt. Matt Hogan
Manager of Municipal Enforcement

RE: **Longview July Municipal Enforcement Monthly Report**

Dear Mayor and Council,

July brought typical summer conditions and increased traffic through Longview. Traffic volumes were noticeably higher on weekends and during peak travel periods as residents and visitors travelled through the area.

During the month, Municipal Enforcement issued 51 Provincial Offence Tickets, with a total face value of \$21,354.

Distracted driving continues to be an enforcement priority. As of the end of July, officers had issued more than 32 distracted driving-related charges in 2026. By comparison, 34 distracted driving-related charges were issued during all of 2025. With five months remaining in the year, the 2026 total is already approaching the total recorded for the previous year.

Traffic safety remained a priority throughout July. Officers monitored vehicle speeds, aggressive driving behaviour and traffic flow throughout the community.

Officers also assisted with road closures for the Little New York Parade, helping to support the safe movement of parade participants, spectators and motorists.

Municipal Enforcement responded to a number of bylaw-related complaints and inquiries during July. These matters involved follow-up with residents, public education and voluntary compliance where appropriate.

A Remedial Order was issued under the Community Standards Bylaw in relation to a vacant commercial property in the community. The Village is working with the property owner to address the identified contravention and bring the property into compliance with the bylaw.

Residents are reminded that enforcement concerns can be reported through the 24/7 Complaint Line at 403-933-0334.

Sincerely,

Sgt. Matt Hogan
Manager of Municipal Enforcement

RE: **Longview August Municipal Enforcement Monthly Report**

Dear Mayor and Council,

August was another busy month for traffic through Longview, particularly on weekends and during peak travel times. Municipal Enforcement continued to focus on traffic safety throughout the community.

During August, Municipal Enforcement issued 43 Provincial Offence Tickets, with a total face value of \$17,071.

The five most common charges issued so far in 2026 are:

1. Exceed maximum speed limit – 201 charges
2. Excess speed during prescribed or reduced-speed periods – 42 charges
3. Operating a motor vehicle or trailer without valid registration – 36 charges
4. Distracted driving – 32 charges
5. Failure to provide proof of insurance – 14 charges

These five categories account for 325 of the 365 tickets issued, or approximately 89% of all tickets.

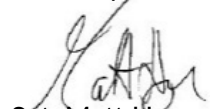

Of the 365 tickets issued year to date, only 14 were issued to individuals listing Longview as their community. Calgary was the most common, accounting for 137 tickets.

Municipal Enforcement also assisted Village Administration with enforcement related to an outstanding Remedial Order. Follow-up on the matter continued during the month as the Village worked toward bringing the property into compliance.

With students returning to school in September, officers will be paying particular attention to traffic around school areas and reminding drivers to reduce their speed and watch for children, pedestrians, and increased activity during school arrival and dismissal times.

Municipal Enforcement will continue to focus on speeding, distracted driving, and other traffic safety concerns, along with public education and voluntary compliance where appropriate.

Sincerely,

Sgt. Matt Hogan
Manager of Municipal Enforcement

Pregnancy Loss Awareness Day

Dear Mayor and Members of Council,

My name is Kristin Pichoskie, and I am the founder of Oak's Tree of Love, a Northern Ontario initiative created in memory of my son, Oak Beaudyn Noel.

Oak's Tree of Love respectfully requests that your Municipality proclaim October 15, 2026, as Pregnancy and Infant Loss Awareness Day and October 2026 as Pregnancy and Infant Loss Awareness Month.

We would also be grateful if the Municipality would consider a flag raising and/or the illumination of a municipal building, bridge, landmark, sign, or other public feature in pink, blue, and white in recognition of this important awareness initiative.

Pregnancy, infant, and child loss affect thousands of Canadian families each year. Recognition of this day and month helps raise awareness, honour babies and children gone too soon, support bereaved families, reduce the stigma surrounding grief and loss, and encourage compassionate conversations about pregnancy loss, infant loss, stillbirth, and child loss within our communities.

Oak's Tree of Love provides memory boxes, remembrance projects, awareness initiatives, hospital partnerships, and support resources for families affected by the loss of a baby or child.

Attached for your consideration are a formal request letter and draft proclamation wording.

Thank you for your time, consideration, and support of bereaved families. We would be grateful to learn whether the Municipality plans to participate through a proclamation, flag raising, illumination, social media recognition, or another form of recognition for Pregnancy and Infant Loss Awareness Day and Month in 2026.

This request forms part of a Canada-wide awareness initiative seeking municipal, provincial, and territorial recognition of Pregnancy and Infant Loss Awareness Day and Month, and support for bereaved families.

Sincerely,

Founder, Oak's Tree of Love

**VILLAGE OF LONGVIEW
REQUEST FOR COUNCIL DECISION**

Agenda Item #: 10.3

Date: September 15, 2026
Title: Lift Station Maintenance
Submitted by: Roy Tutschek, Village CAO

Recommendation: **MOVED** by _____ that.

Alternatives: 2. Defeat above motion.
3. That discussion be tabled _____ (*for further information or future date*).

Background: Request Council to approve Lift station preventive maintenance. Approximately \$25k. The Village of Longview has sufficient reserves to draw on and this maintenance is highly recommended by contracted Foothills County Water/Wastewater managers, based on recent inspection. This could contribute significantly to continued operation preventing premature replace of a new motor.
