### **RCMP TURNER VALLEY DETACHMENT**

Within the last week, Foothills County RCMP have received complaints regarding zip ties being placed on entrance gates to rural properties along 434 Avenue W, Foothills County. RCMP are investigating these suspicious occurrences. Police ask everyone to check their entrance gates when entering or leaving their properties, and if zip ties are located to advise Foothills County RCMP, and remove the ties.

If anyone within this area is part of the CAPTURE program, and may have video you are asked to contact the Foothills County (Turner Valley) as this may assist with the investigations.

Foothills Country RCMP are also receiving an increase in complaints of thefts from unlocked vehicles, both on rural properties and along hiking trails. Police urge everyone to lock all vehicles and property when not in use, and ensure that you remove all property of value.

With the weather getting nicer and the school year ending, we will see an increase in highway traffic and along hiking trail access points. Please remember to follow posted speed limits and property security protocols.
