On August 10, 2021, Foothills County RCMP responded to a complaint of stunting dirt bikes on 38 Street East in Foothills County. Police would like to remind everyone that driving an off road vehicle on a highway is a Provincial Offence. All motor vehicles using a highway are required to be registered and insured. This matter is still under investigation and if anyone has information regarding this incident, they are asked to contact the Foothills County RCMP (Okotoks Detachment)

On August 12, 2021, Foothills County RCMP received a complaint regarding a Jeep Liberty passing another vehicle on a double solid line on Highway 22. The complainant provided a statement, and subsequently the registered owner of the Jeep is facing two Provincial traffic charges.

Foothills County RCMP receive numerous complaints regarding driving offences on highways within the county. It is important to note that unless a complainant is willing to provide a statement regarding their complaint, charges cannot be laid. When statements are provided, police are able to use those statements to the offence and lay appropriate Provincial registered owner charges.
